MEMORANDUM FOR: Lt.Gen.Eugene F. Tighe, Jr., USAF  
Director, Defense Intelligence Agency

SUBJECT: [REDACTED] Force Reductions

REFERENCE: DIA Memorandum dated 9 November 1978  
(Serial TSCW-S-71, 339/DC-7A)

Thank you for your comments on the [REDACTED] issue. I have also received the joint NSA/Service review of airborne assets and requirements. Both were most useful in making the decision to request restoration of the fleet to [REDACTED] unfortunately, priorities prevented including a request for additional modernization in FY 1980 within the requested budget. There will be further discussion of this issue with OMB I am sure; your support will be most helpful to me in that debate.
